

Dear In-House Directors and Coaches:

On behalf of the Minnesota Youth Athletic Services (MYAS), welcome to the 2018 Rec State Basketball Championship, scheduled for March 17-18! The Rec State Basketball Championship has become the premier state tournament for in-house teams. We are proud to be the administrative provider for the largest in-house state basketball tournament in the Upper Midwest.

A maximum of 48 teams per grade/gender (16 per division) will be accepted into the tournament. Please complete the enclosed team registration form. **The team registration form, team roster (completed online) and entry fee must be submitted to the MYAS office on or before Monday, February 26, 2018.**

**Send to: Minnesota Youth Athletic Services; Attn: Kevin Wilson; 1011 Osborne Road; Spring Lake Park, MN 55432**

The team rosters must be completed online (via the Log In tab at [www.myas.org](http://www.myas.org)) and **a physical copy must be printed, signed and submitted** to the MYAS office along with all other required materials. Teams may have a maximum of 12 players and three coaches listed on the team roster and on the bench. **All rosters are frozen after the tournament entry deadline. Any requests for exemptions to this rule must be made in writing and sent to Kevin Wilson ([kevin@myas](mailto:kevin@myas)) for approval.**

The online roster also serves as your team's Code of Conduct. Once you have printed your completed roster, coaches and each player's parent/guardian must sign where indicated. This signed roster must be submitted with your other entry materials.

Teams will **not** be required to submit proof of grade (or age) for any rostered players with their tournament registration. Rather, each coach should have their players' grade (and age) documentation with them on site at the Rec State Championship in the event of a player or team protest. Failure to produce grade (and/or) age verification upon request may result in suspension and/or disqualification. **Any team/player protest must be accompanied by a \$100.00 cash protest fee. The protesting team will be verified BEFORE the team/player being protested is verified.**

For your convenience, it is strongly recommended that you request a letter from your players' school(s) that identifies them by name and grade. This letter must be on school letterhead and must be signed by a school official.

Examples of other acceptable grade documentation include a student I.D. with grade level or a current report card with grade level.

**NOTE:** The Rec State Basketball Championship is a fundraiser for the tournament hosts. There will be an admission fee to help recover some of the cost for the tournament host. The fee is \$7.00 for adults and \$4.00 for students/seniors. All players and up to three coaches per team will be admitted free of charge.

**TEAM COMPOSITION**

The Rec State Basketball Championship is held for teams that participate in a park and recreation, community education or in-house program. Team rosters must be composed of players from the same league during the 2017-18 basketball season. Players must reside or attend school within the jurisdiction of the league's drawing area. Coaches are **not** allowed to pick up players from other teams that participate in a league outside of their community park and recreation program.

**High school teams** comprised of players who did **not** make their school program are eligible to participate. High school intramural teams formed by a bona fide organization are also eligible to participate. High school teams that participate in the tournament must consist of players from the same school. If a high school intramural team is determined to be illegal, the team will be disqualified from that game at the time of discovery. The team's last game played will be forfeited and all previous results of competition (if applicable) will still be valid.

**All-star teams are not eligible** to participate in the Rec State Basketball Championship. An "all-star team" is defined as a team with players from multiple in-house programs/leagues. In-house or community education teams from outstate metro areas that use multiple small communities to help form their league (due to lack of participants) are eligible to participate. The teams must consist of players from the same league. If a team is declared ineligible prior to participating in the tournament, the team will be removed and a refund will be issued. If a team is determined to be ineligible during the tournament, the team will be disqualified from that game at the time of discovery. The team's last game played will be forfeited and all previous results of competition (if applicable) will still be valid.

**Travel basketball teams are not eligible** to participate in the Rec State Basketball Championship. A "travel basketball team" is defined as a team emanating from a school or a bona fide community athletic association via a tryout process. Any team discovered to be a travel basketball team during the event will be disqualified and will not be issued a refund. **(Note:** Any in-house teams that played in MYAS Super Saver Tournaments in the "Rec" or "C" division are still eligible to participate.)

**In-house teams** are not allowed to participate in both the 2018 Rec State Basketball Championship **and** the 2018 Grade State Basketball Championship. Any team discovered to have participated in both tournaments will be disqualified from competition without a refund. The team's last game played will be forfeited and all previous results of competition (if applicable) will still be valid.

**Special Note:** Any unique eligibility situations will be handled on a case by case basis. Determinations on these eligibility issues must be made prior to the entry deadline.

**TEAM ROSTER**

Team rosters must be completed online (via the Log In tab at ([www.myas.org](http://www.myas.org))) and a **physical copy must be printed, signed and submitted** to the MYAS office along with your team registration form and entry fee. Teams may have a maximum of 12 players and three coaches listed on the team roster and on the bench. The team roster must consist of players from the same league to be eligible for the Rec State Basketball Championship.

**All rosters are frozen after the tournament entry deadline. Any requests for exemptions to this rule must be made in writing and sent to Kevin Wilson ([kevin@myas](mailto:kevin@myas)) for approval.**

The online roster also serves as your team's Code of Conduct. Once you have printed your completed roster, coaches and each player's parent/guardian must sign where indicated. This signed roster must be submitted with your other entry materials.

Players may not be rostered on more than one team for the MYAS Rec State Championship. Players may not play on a team in both the 2018 MYAS Rec State Basketball Championship **and** the 2018 MYAS Grade State Basketball Championship.

**DIVISIONS OF COMPETITION**

Coaches are responsible for classifying their teams in the appropriate divisions of play. Coaches should classify their teams based upon the skill level of their players and the level of competition in their league. The MYAS reserves the right to contact park and recreation, community education and/or in-house directors to verify the origin of the team make-up and appropriate level of competition. **Also, we reserve the right to combine divisions and move teams up or down.** Seeding and placement of teams in each division will be via a blind draw. All class designations and subsequent seeds as determined by the MYAS will be final

**Division A:** This division is designed for teams that consist of players with advanced skill levels and that finished as one of the top two teams in their league.

**Division B:** This division is designed for teams that consist of players with intermediate skill levels and that finished as the third or fourth place team in their league.

**Division C:** This division is designed for teams that did not finish as one of the top four teams in their league.

**TOURNAMENT FORMAT**

All teams are guaranteed a minimum of three games. Our tournament format has been modified to produce “true” third and fourth places (in divisions with eight or more teams). Tournament brackets will be dictated by the number of teams registered in each grade and division. A minimum of four teams in a specific division is needed in order to offer a tournament in that division of play.

**PLAYER ELIGIBILITY REGULATIONS**

All previous results of competition (if applicable) will still be valid.

Teams will ***not*** be required to submit proof of grade (or age) for any rostered players with their tournament registration. Rather, each coach should have their grade (and age) verifications with them on site at the Rec State Championship in the event of a player or team protest. Failure to produce grade (and/or age) verification upon request may result in suspension and/or disqualification. **Any team/player protest must be accompanied by a \$100.00 cash protest fee. The protesting team will be verified BEFORE the team/player being protested is verified.**

For your convenience, it is ***strongly*** recommended that you request a letter from your players' school(s) that identifies them by name and grade. **All rosters are frozen after the tournament entry deadline. Any requests for exemptions to this rule must be made in writing and sent to Kevin Wilson ([kevin@myas.org](mailto:kevin@myas.org)) for approval.**

The online roster also serves as your team's Code of Conduct. Once you have printed your completed roster, coaches and each player's parent/guardian must sign where indicated. This signed roster must be submitted with your other entry materials.

## PLAYING RULES

All competition will be played under National Federation of State High School Associations rules for the current year, except where modified below.

1. **Ejection Policy:** Any coach, player or spectator ejected from a contest will be disqualified from participation in **that game and the next game**. They will be allowed to participate after their disqualification has expired. However, if their ejection was due to "flagrant unsportsmanlike conduct," they will be disqualified for the **remainder of the event**.

Examples of "flagrant unsportsmanlike conduct" include, but are not limited to, cheating, fighting, repeated abuse of tournament and/or game officials, threats to tournament and/or game officials, repeated use of profane language, etc. Ejections may be appealed to the tournament Protest Committee. The Protest Committee consists of the Tournament Director, a Host Representative and the referee in charge. **Any ruling by the Protest Committee is final.**

2. **Defense Restrictions:**

**3<sup>rd</sup>-6<sup>th</sup> Grade:** No full court pressing. Players must drop back to half court at the change of possession. Only man to man (person to person) defense is allowed. No double teaming, trapping or zone defenses allowed. One warning will be issued for any defense violation, followed by a technical foul for subsequent violations.

**7<sup>th</sup>-8<sup>th</sup>, 9<sup>th</sup>/10<sup>th</sup> and 11<sup>th</sup>/12<sup>th</sup> Grade:** Full court presses and all zone defenses are allowed. Teams may not full court press any time they are ahead by 15 points or more. Teams may full court press once the lead goes under 15 points. One warning will be issued for any defense violation, followed by a technical foul for subsequent violations.

3. Bonus free throws are awarded on the seventh team foul; double bonus on the tenth team foul.

4. The three-point shot (where a three-point line exists) is in effect for all age divisions.

5. The basket height is 10 feet for all age divisions.

6. Technical fouls must be shot by a player from the offended team.

7. **Timing Factors:**

A. Boys and girls in grades 3-8 will play eight five-minute, running time periods. Stop-time will be in effect for the last two minutes of the 4<sup>th</sup> and 8<sup>th</sup> periods only.

B. Boys and girls in grades 9/10 and 11/12 will play two 20-minute, running time halves. The last two minutes of each half will be stop-time.

C. Boys and girls in grades 9/10 and 11/12: If a team is ahead by 20 points or more during the last two minutes of the second half, the remainder of the game will be played under running time. Should the deficit be cut to 10 points or less, the game will resume to stop-time. After a timeout, the clock will start when the ball is touched by any player who is inbounds.

D. Each team will be given a 10-minute grace period for their first game of the tournament. After the team's first game, game time is forfeit time. A minimum of three minutes will be allowed for pre-game warm up.

E. The first overtime period will be a two-minute, stop-time period. The second overtime period (if necessary) will be a continuous series of complete two-minute, stop-time periods until the tie is broken. Each team will be awarded one time out for each overtime period. There will be a 60-second intermission between periods. Each team will be awarded one time out for each overtime period. There is no carryover of time outs from regulation or overtime periods.

F. There will be a five-minute halftime following the 4<sup>th</sup> period (grades 3-8) and between halves (grades 9/10 & 11/12). Coaches of 3<sup>rd</sup>-8<sup>th</sup> grade teams will have one minute between all other periods to speak to their teams and to have their next group of five players at the scorer's table ready for check-in.

8. **Time Outs:** Time outs are limited to three per team per game and will not exceed 60 seconds each. A coach may call time out only if their team has possession of the ball or during any dead ball situation.

9. **Ball Possession:**

**3<sup>rd</sup>-8<sup>th</sup> Grade Boys and Girls:** The ball will be jumped at the beginning of the game. The ball changes possession for each team at the beginning of each period.

**9<sup>th</sup>/10<sup>th</sup> and 11<sup>th</sup>/12<sup>th</sup> Grade Boys and Girls:** The ball will be jumped at the beginning of each half.

10. **Bench Personnel:** Only players whose names appear on the official tournament roster may sit on the players' bench. This is limited to 12 players and no more than three other persons (i.e. two coaches and a trainer, scorer, etc.) to a maximum of 15 persons. No young children (non-players) will be allowed to sit on the bench.

11. **Equipment:**

- A. Game balls for all girls' divisions and the boys' 3<sup>rd</sup>-6<sup>th</sup> grade divisions will be the women's sized (28.5) basketball. The boys' 7<sup>th</sup>-11<sup>th</sup>/12<sup>th</sup> grade divisions will use the official men's regulation sized basketball.
- B. **Uniforms:** Jersey tops (t-shirts are acceptable) must be of identical color and must be numbered. We also recommend that numbers be at least four inches high and they ***must*** be non-duplicate. Teams are encouraged to bring light and dark colored jerseys.
- C. **First Aid:** Each team is responsible for providing its own first-aid supplies, water bottles, tape, etc. A trainer will be on-site to provide general EMT service.

**PLAYER PARTICPATION RULE**

The Rec State Basketball Championship utilizes a player participation rule for boys' and girls' divisions in grades 3-8. **The Player Participation Rule is *not* in effect for the boys' and girls' *high school* divisions (grades 9/10 and 11/12). Coaches may use any player rotation during the game.**

The player participation rule is in effect to ensure that all participants share as close to equal playing time as possible while allowing the coach maximum flexibility to determine line-ups. The recommended amount of playing time is based upon the number of players available to compete in each game.

For example, on a team with eight players, each player would play in five of the eight periods. With nine players, the coach would play four players in five periods and five players in four periods. Each coach will decide which players on their team get the "extra" period.

In another example, if a team has 12 players, four play four periods and eight play three periods. Once again, the coach decides who plays four periods and who plays three periods and when each player plays.

See examples below for the recommended number of playing periods.

**# OF PLAYERS – 3<sup>rd</sup>-8<sup>th</sup> GRADE TEAMS:**

5 PLAYERS	5 PLAY 8 PERIODS	
6 PLAYERS	4 PLAY 7 PERIODS	2 PLAY 6 PERIODS
7 PLAYERS	5 PLAY 6 PERIODS	2 PLAY 5 PERIODS
8 PLAYERS	8 PLAY 5 PERIODS	
9 PLAYERS	4 PLAY 5 PERIODS	5 PLAY 4 PERIODS
10 PLAYERS	10 PLAY 4 PERIODS	
11 PLAYERS	7 PLAY 4 PERIODS	4 PLAY 3 PERIODS
12 PLAYERS	4 PLAY 4 PERIODS	8 PLAY 3 PERIODS

The players from both teams are required to check in at the scorekeeper's table at the beginning of each period. The scorekeeper will keep track of the number of periods for each player on the player participation chart located on the back of the official score sheet. The scorekeeper will report any player to the officials once they exceed their maximum number of playing periods. A player will be disqualified from participation in the remainder of that game and the next game for violating the player participation rule.

There are no substitutions for players during the period due to the player participation rule. The only player substitutions allowed are for injury, blood rule or if a player picks up their third foul in the first four periods or their fourth foul prior to the 8<sup>th</sup> period (coaches, at their discretion, may chose to leave a player on the court that is in serious foul trouble). During these situations, a coach may use any player on the bench as a substitute. The playing time of the sub will not be recorded against their normal rotation. The player removed for injury or because of the blood rule is allowed to return as soon as they are able. Coaches may not modify their normal playing rotation to "make up" for the removed player's "lost time." No other substitutions are allowed. The player participation rule is not in effect during overtime periods. The coaches may play any players during overtime.
