Reporting Conduct & COVID-19 Compliance

The MYAS / Youth 1st strategic partnership creates a Conduct 1st Environment and recognizes teams (players, coaches, parents and fans) that play the game the right way. In addition to reporting scores from each game, teams are asked to provide a yes/no vote of the OPPOSING TEAM in the MYAS Portal at www.myas.org within 24 hours after each game is completed.

Each Coach will vote on the following:
1—Did the opposing team meet the Youth 1st Sportsmanship Criteria?
2—Did the opposing team comply and follow the Safe Play: Back to the Diamond guidelines found on page 10 & 11 of the Rules & Regulations.

Teams that receive exemplary marks on both questions during the season will be recognized with Youth 1st Team Awards.

All coaches or team managers will be required to vote on Conduct & COVID-19 Compliance from the OPPOSING TEAM during your league game.
