MYAS Communications Policy

Over the past 29 years, the Minnesota Youth Athletic Services, Inc. (MYAS) has experienced overwhelming growth in numbers of athletes, teams, tournaments, leagues, etc. In 2019, we had over 170,000 athletes participate in numerous sports and over 2 million hits on our website at www.myas.org. While we value everyone's opinion, it has become necessary for the MYAS to develop the policy whereby our staff will communicate with travel directors, coaches and association representatives ONLY.

There is not adequate time in the day to discuss rulings, controversial situations, etc. with individual athletes, parents, grandparents, aunts, uncles, brothers and sisters. As an alternative, we encourage constructive criticisms and suggestions be communicated to a team representative who is then welcome to contact our office for a response or necessary action.
