3. All games must start with at least three players on each team but may complete the game with 1-3 players.
4. The team that starts with the ball will be determined by a coin flip, free throws or 3-point shots or pick a number; teams and official will agree on which method to use.
5. The games will be officiated by an official. It is recommended when checking the ball after a made basket, teams say the score.

Scoring:

1. One point per basket made inside the arc, two points for baskets made beyond the arc.
2. Games are played for 20 minutes. The team ahead after 20 minutes wins.

Ties:

If the game is tied after 20 minutes, a sudden death free throw shootout will break the tie. Each team receives equal opportunities to shoot free throws until one team makes it and the other misses. New shooter each time.

Live Ball/Dead Ball/Possession:

1. The ball will change possession after a scored basket.
2. All jump balls will go to the defense.
