PLAYING RULES

3rd GRADE

Playing Rules: 11-Man Football
Field Length: 80 yds x Min. 40 yds wide
Ball Size: Pee Wee

All rules not modified below will follow the National Federation of High School Rules.

DEFENSE

1. Defensive front is a 4-3 defense with 2 cornerbacks and 2 safeties.
2. Initially 4 Lineman must be in a 3 or 4 pt stance and head up with the Offensive guards, and the defensive ends would be head up or outside shade of where Tight ends would align next to the tackles. If there are no Tight ends the defensive end can reduce to outside shade of the tackle or move outside with the Tight end. Teams can split out their tight ends or receivers per regular football rules. If tight end splits out know that it possibly leaves the defensive end uncovered and is an advantage to the defense.
3. The middle linebacker must be over the Center and at least 3 yards off the line. Outside linebackers must be at least 3 yards off the line and outside shade of the offensive tackles but not stacked behind the defensive ends.
4. The cornerbacks need to be at least 4 yards outside the defensive ends and 1 yard off the line of scrimmage.
5. The Safeties must be at least 1 yard behind the linebackers in a safety like position.
6. Safeties are players free to adjust to all receiver formations. All other positions must align as indicated above.

When a team splits out receivers the safeties are free to move to coverage anywhere on the field just so they remain at least 1 yd behind the linebackers. And the corner backs can be head up on any receiver at least 4 yds outside the defensive ends.

7. Blitzing by any linebackers, cornerbacks or safeties is strictly prohibited.
 Blitzing is not allowed. Linebackers must, at the snap, be at least three (3) yards off the line of scrimmage, and corners must, at the snap, be at least one (1) yard off the line of scrimmage, and be at least four (4) yards outside the “box”, which is defined as at least four yards outside the normal alignment of the defensive end. In all circumstances other than goal line situations there must be at least (2) players lined up in a “safety type” position no closer than four (4) yards from the line of scrimmage. These restrictions do not apply to goal line situations. Inside linebackers, corners, and safeties may not begin to cross the neutral zone until after the quarterback attempts to hand off the ball or after the quarterback leaves the box, which is defined as the area between the normal alignments of the defensive ends.
8. Inside the five-yard line any defense is allowed, but only players on the line of scrimmage can rush the ball. Blitzing is still not allowed if a player is not on the line of scrimmage.
9. Two coaches can be on the field to assist in aligning the players. Coaches must be at least five yards behind the play and must be silent as soon as the quarterback is under center. Once play begins normal coaching is allowed on the field. During timeouts only two coaches are allowed on the field.

Playing Rules: 11-Man Football
Field Length: 80 yds x Min. 40 yds wide
Ball Size: Pee Wee

All rules not modified below will follow the National Federation of High School Rules.

OFFENSE

1. Offense is required to have 7 players on the line of scrimmage with 3 players on each side of the center: Center, 2 Guards, 2 Tackles, 2 Ends on each side of the line. No unbalanced lines as 7 players must be always on the line of scrimmage. The ends can be anywhere on the line of scrimmage and do not have to be right next to the tackles.
2. Line splits are no more than arm to shoulder width apart from lineman to lineman.
Lineman are defined as center, guard, and tackle. An end is not considered a lineman but must line up on the line of scrimmage. However, it is to the offense advantage to have a tight end lined up on the line as the defensive end will be lined up across where the tight end normally lines up next to the tackles.
3. All QB, running back and receiver alignments are allowed per football rules.
4. Two coaches can be on the field to assist in aligning the players. Coaches must be at least five yards behind the play and must be silent as soon as the quarterback is under center. Once play begins normal coaching is allowed on the field. During timeouts only two coaches are allowed on the field.

WEIGHT RESTRICTIONS

1. A 3rd grade player weighing over 95 pounds must have a red stripe affixed to their helmet and cannot carry the ball.
2. Red Stripe players may not line up in the offensive backfield or at wide receiver. They may line up at tight end, but under no circumstances may run the ball or receive a pass.
3. Red Stripe players may only run the ball if they are involved in a direct fumble recovery or a pass interception.

GAME ADMINISTRATION RULES

1. Team benches and team fans will be on the same side of their portion of the field. Team/Coaching Box from 15 yd line to 15 yd line and 3 yds deep. No fans should be inside this area.

GAME ADMINISTRATION RULES

Continued...

2. The game clock will be kept officially by referees or scoreboard if available using modified HS timing of 4 quarters of 10 minutes per quarter, two 1-minute team timeouts per half and a 5-minute break at half time. Each game quarter will be National Federation book rule stop time, with the following exceptions:
 - a. After a change of possession, the game clock starts when chains are set, and the ball is spotted ready for play.
 - b. In the event if one team is seventeen (17) or more points ahead at any time in the fourth quarter, the clock shall continue to run in all circumstances except time outs and injuries.

This modification shall continue until the team behind cuts the deficit to less than seventeen (17) points. At half time, in the event one team is twenty-eight (28) or more points ahead teams can agree to use running time for the 2nd half, the clock shall continue to run in all circumstances except team time outs and officials time outs.
 - c. Officials will use reason and common sense for the play clock, 35-second play clock will be enforced after the ball is spotted for play.
 - d. During regular play clock stops on plays out of bounds, incomplete passes and on called timeouts. Clock begins again on snap of the ball.
3. Teams will switch ends at all quarter breaks.
4. Extra points are 1 for a run, 2 for a pass or kick. Field goals are worth 3 points.
5. One overtime will be played to determine the final score. Each team will have an offensive possession (four downs) from the 10-yard line. Extra points will be attempted also. If the score remains tied after one overtime in the regular season the game will be declared a tie.

PLAYING RULES

1. No Kickoffs – to begin each half and after a score teams will begin at their 20-yard line.
2. No punts – teams declare a punt and move the ball forward 20 yards, unless you are inside the opponent's 40-yard line (mid field). Then, it would be half the distance to the goal. If you are on the 20, you would move the ball to the 10.
