

Minnesota Youth Basketball Alliance
Player Transfer Request Form
As determined by the MYBA Board of Advisors

2026-27 Season

Revised 6/8/2026

The Minnesota winter travel basketball season is intended to be for community- and school-based teams. The winter basketball season runs from late October through the MYAS Grade State tournaments in March. The Player Transfer information contained in this document pertains to the winter/traveling season only. Please see the MYBA Team Composition Guidelines for complete information regarding team composition and eligibility.

Please note the grandfather clause on page 3

Player Transfer Policies and Explanations

1. The Player Transfer Policy allows an athlete the opportunity to participate with an association other than their Home Association.
2. Players may only transfer from their Home Association to a bordering association.
3. Determining an athlete's Home Association:
 - A. Athletes that attend a public school: Where they attend school.
 - B. Athletes that attend a private school: Where they live.
 - I. Note: Athletes that attend a private school have the following participation options and none of them require a Player Transfer.
 - i. The school that they attend, the association where the school is located, the association where they reside.
 - ii. Please see the MYBA Team Composition Guidelines for a complete explanation.
4. If there is not a travel association within the community where the athlete attends school, or if an athlete tried out with their Home Association and was not placed on a team, the athlete may participate with a bordering community association. The bordering association has the right to accept or not accept the athlete. The athlete does not need to complete the Player Transfer process in this situation.
5. No player transfers will be approved for athletes who tried out and were offered a roster position on a team from their Home Association.
6. Player transfers are limited to one athlete per team.
 - A. Exception: See the Grandfather Clause listed on page 3.
 - B. Exception: It is permissible for a single team to accept two transfer players if the players are siblings.
 - C. Exception: It is acceptable for bordering associations to combine players and exceed the one-player maximum.
 - I. Example: Association A and B are bordering associations. Association A has six 7th grade players and Association B has four 7th grade players. They may combine those players to form a team.
7. Player transfers must be requested and approved on an annual basis. No grandfathering of transferred athletes from previous years is allowed.
8. Players attending school in Minneapolis or St. Paul who are requesting to play with an association outside of Minneapolis or St. Paul must get their transfer approved by three MYBA member associations from their respective city.
9. The completed Transfer Request Form must be submitted to the MYAS office on or before November 1. Transfer requests will not be accepted or approved after November 1 of any given year. Please send the completed form to mybacompliance@myas.org.
10. The MYBA Compliance and Eligibility Committee may or may not deal with any unique situations that arise on a case-by-case basis.

Minnesota Youth Basketball Alliance Player Transfer Request Form

2026-27 Season

Portion A: To be completed by the Athlete's Parent(s) or Guardian(s)

Name of Athlete Requesting the Transfer: _____

Minnesota Youth Basketball Alliance Player Transfer Grandfather Clause

In an effort to help ease the transition for associations affected by the changes made to the MYBA Team Composition Guidelines in 2022, the MYBA Compliance and Eligibility Task force has approved the following exception:

Teams will be allowed to have two Player Transfer players on a single team. This exception will be phased out based on the schedule listed below.

2026-27 Season: The following grades will be allowed to have two Player Transfer players on the same team:

- 7th Grade
- 8th Grade

2027-28 Season: The following grade will be allowed to have two Player Transfer players on the same team:

- 8th Grade
